MEMORANDUM FOR: Contracting Officer

SUBJECT : Hycon Mfg. Company

In order to arrive at an equitable basis for allocation of material handling at Hycon, it is suggested that a copy of the attached report be submitted to them for whatever comments or additional data they may have on the subject.

This will give them the opportunity to either try to justify the present basis of allocation or propose a revision. Based upon their reply, we can determine what action should be taken.

SIGNED

orders. The typing and issuance of the purchase orders continued to be performed in the purchasing department. The names and salaries of the two men follow:
